You walked away like silent rain  
that gives place to a sunny day  
I rest my head knowing that some  
day I'll understand the pain  
Thoughts will come and ease my  
life  
Peace of mind is what I shall find  
Don't expect for me to cry for you  
And when you think of calling me  
Remember I won't answer  
'Cause I'm busy licking my wounds  
In the deepest cave, I could find  
inside me  
We used to say that everything  
should end if it's for the best  
I found a way to look at things as  
something merely from the past  
Our love was so intense  
That even now we still can't be  
friends  
Sad, but that's the way it's gonna  
be  
And when you think of calling me  
Remember I won't answer  
'Cause I'm busy, licking my  
wounds  
In the deepest cave, I could find  
inside me

Can the dark side light my way out?  
Yeah  
Lay your hand across my face, yeah  
Time we lost, that's all my fault  
Please don't be long  
'Cause I want your love  
I don't have love  
Without your arm  
Life is too short  
But I will live for you  
How did this fit in your story? Yeah  
Why'd you let them judge your body?  
Yeah  
I'll be waitin' there outside, yeah  
Please don't be long  
'Cause I want your arms  
I don't have fun  
Without your love  
Life is too short  
But I will live for you  
You're backin' off  
But I will live for you, my selfless love  
Bite my tongue, I wait my turn  
I waited for a century  
Waste my breath, no lessons learned  
I turn and face the enemy  
I'm not scared, just don't care  
I'm not listenin', you hear?  
He's never there, I don't care  
I can't tell you what and where  
Yeah  
Yeah
